

# REAL TALK

Topic Overview • Roundtable Group Discussion • Ask an Expert Q&A

This **FREE** educational program is for our families and other caregiving partners.

It's as interactive as you want it to be: Dial in and just listen,  
or bring your questions and actively participate.

## December 15: Joining Their Journey

Meeting loved ones living with dementia in their unique reality is crucial to being able to successfully care for them. Join us to learn how you can join their journey, even if they have an altered version of reality.
